

Point-to-Point Metal Processing & Logistics

Take a Tour

Over 40 years providing dedicated processing and logistics services to complex metals supply chains and committed to delivering excellent quality and Just-In-Time delivery through our strategically located facilities.

What We Do

- Slitting
- Blanking
- Multi-Blanking
- Cut-to-Length
- Stretch-Leveling
- Trucking

Products

- Hot Rolled P&O
- Cold Rolled
- Galvanized
- Galvannealed
- Tin Plate
- Pre-Painted
- Galvalume
- Stainless
- Aluminum

CAPABILITIES

+ 78" Fagor Slitter

Incoming Coil Specs

Max Weight: 65,000 lb.
 Gauge: 0.010" - 0.15"
 OD: 35" - 80"
 ID: 20" - 24"
 Min Width:
 24" slit
 16" recoil
 Max Width: 78"

Product Capabilities

Max Weight: 65,000 lb.
 Max Gauge: 0.150"
 OD Max: 80"
 ID: 20" - 24"
 Width: 1.57" - 78"

+ Braner Stretch-Leveler

Incoming Coil Specs

Max Weight: 60,000 lb.
 Gauge: 0.06" - 0.500"
 OD: 40" - 84"
 ID: 20" - 24"
 Width: 32" - 74"

Product Capabilities

Max Weight: 60,000 lb.
 Length: 40" - 253"
 Max Package Height: 24"
 (including skid/runners)
 Flatness: Half of ASTM
 Tolerance (*inquire about*)
 Length: +/- .187"
 Square: +/- .125"

+ Braner Multi-Blank Line

Incoming Coil Specs

Max Weight: 60,000 lb.
 Gauge: 0.028" - 0.120"
 OD: 29" - 74"
 ID: 20" - 24"
 Width: 12" - 74"

Product Capabilities

Package Weight: 12,000 lb.
 Length: 12" - 168"
 Single Sheet Width: 12" - 72"
 Min Multi-Blank Width: 8"
 Trimming Capacity: 5 cuts

TRANSPORTATION & LOGISTICS

+ Road Capabilities

Our private fleet of trucks is dedicated to Just-In-Time deliveries, supporting customers with precise scheduling, tight production windows, and high-volume supply chain needs.

+ Rail Capabilities

We are the most efficient metals transloading facility in the Southeast of the United States. We work with our customers to develop efficient, custom rail programs.

PEOPLE. PARTNERSHIPS. PERFORMANCE.

Our vision says it all – we want to be admired in our industry for excellence in our people, our partnerships, and our performance. People are the heart of All Metals – committed to each other, customers, vendors, and success.

We Value Safety, Quality, & Service

We believe in a holistic approach to safety, quality, and productivity. Our entire team adopts a mindset that combines all three of these values — with engagement at all levels — from point to point.
